Support the Archdale-Trinity YMCA

"The YMCA has something of interest for every one of us, regardless of age...The citizens of Archdale-Trinity deserve the opportunity to call an organization such as the YMCA their very own. I am honored to serve as chairman of the first Board of Directors and Capital Development Committee."

 The Archdale-Trinity Family YMCA

*You can't put a price on a healthy spirit, mind and body.*

*But now your gift can help two communities come together to make it happen for all.*

The Archdale-Trinity Family YMCA is proud to announce a capital campaign to raise funds for a new, state-of-the-art home. And we can't do it without your support . . .

## Help Make Your Archdale-Trinity Family YMCA a Reality

Archdale-Trinity Family YMCA will be a branch of the YMCA of Greater High Point, an association proud of its 82 years of family-oriented programs and services for the community. To deliver on its mission of building "strong kids, strong families and strong communities," our YMCA has worked hard to expand, innovate and keep up with changes through the years. With such rapid growth in our region, however, it has been difficult to answer all the needs of the youth, families and seniors we're entrusted to serve. Thanks to a tremendous effort on behalf of a great many people, we're pleased to announce that now is the time to take another giant step. The new Archdale-Trinity Family YMCA facility is on the way. It will give young swimmers a place to practice, seniors a place for coping with arthritis, families a place to celebrate, and everyone a place for resources to strengthen both our health and our sense of community. Your financial contribution will make this wonderful community asset possible. The Archdale-Trinity Family YMCA, at English Farm on Highway 62, will bring two communities together for the same vision of well-being. Please give to The Archdale-Trinity Family YMCA today.

### One Vision. One Family. One Community.

The theme of our capital campaign is "One Vision. One Family. One Community." We acknowledge that each family is unique and important. We recognize that the communities of Archdale and Trinity have their own traditions and enthusiasms. We also believe, however, that we all have a shared vision of the common good. By cultivating the spirit through faith, exercising our minds with knowledge, and invigorating bodies through exercise, we feel we are investing in the future of the community.

We hope you'll join us, and we look forward to seeing you at our Archdale-Trinity Family YMCA.
