Series Focus

How can the High Point YMCA, the Body of Christ help our nation heal during a time such as this?

Key Question

Key Word: "Recognize"

1. How would you describe the times in which we are living today?
I Chronicles 12:32 / Esther 4:14

Propositions

A. When we accurately discern or define America's true problem, then it's easier to determine the proper solution, course of action to take. America's greatest problem is not the following:

Pandemic

*Unemployment Rate
Political Parties
Economic Downturn*

*Race Division
Lack of Parenting
Global warming*

The root cause of the fear, turmoil and unrest we are experiencing today is because America has a problem with God!

Exodus 15:26 / II Chronicles 7:13

B. If God is at the center of the problems we are experiencing, then He has to be at the center of the solution we employ.

Key Revelations

II Chronicles 7:14 is our solution, remedy, proper course of action to take.

The High Point YMCA, the body of Christ are the called ones who have the assignment and ability to access heaven's power for the benefit of the whole nation.

The genesis of our healing begins when God's people make a decision to return to Him.

"Jesus died for the Healing of Nations".
